State Road (SR) 836 Ramp Closure

Miami — The eastbound SR 836 flyover bridge to northbound SR 826 will be closed nightly from Monday, December 1 through Wednesday, December 3, between the hours of 11 p.m. and 5 am.

Drivers can:

- Go southbound on SR 826, exit at Coral Way
- Turn east to access the SR 826 north entrance ramp

The closure will allow the contractor to work on an overhead bridge. **Please note that this schedule may change due to bad weather or other unforeseen conditions.** For more information about the SR 826/SR 836 Interchange Reconstruction Project, please contact Construction Public Information Specialist Oscar Gonzalez at (786) 280-0983 or Project Engineer Francis Chin at (305) 388-5450 or go to www.826-836.com.

Drivers are encouraged to call 511 before they drive or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT reminds drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in work zones.
