Daytime Lane Closure on the Southbound State Road (SR) 826 Exit Ramp to NW 25 Street

MIAMI — The inside left-turn lane at the bottom of the southbound SR 826 exit ramp to NW 25 Street will be closed on Monday, December 3 through Friday, December 14 between 10 a.m. and midnight. There will be one left- and one right-turn lane available to drivers.

The closure will allow the contractor to work on a bridge foundation. **Please note that this schedule may change due to bad weather or other unforeseen conditions.** For more information about the NW 25 Street Construction Project, please contact Construction Public Information Specialist Oscar Gonzalez at (786) 280-0983 or Project Engineer Nelson Perez at (305) 216-5112 or go to www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they drive or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT reminds drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in work zones.
