FDOT to Host Public Information Meeting

Roadway Project on State Road (SR) 5/Overseas Highway

Miami - The Florida Department of Transportation (FDOT) District Six will hold a public information meeting for a roadway project along SR 5/US 1/Overseas Highway in the Upper and Lower Matecumbe Keys, from Mile Marker (MM) 77.47 to MM 81.44. The meeting will be held **from 5 p.m. to 7 p.m. on Thursday, April 25, 2013 at the Islamorada Public Library, 81830 Overseas Highway, Islamorada, FL 33036** and will follow an informal format that allows the public to arrive at any time from 5 p.m. to 7 p.m. Graphic displays of the project will be shown and FDOT staff will be on hand to update the public on the status of the projects' design and answer questions.

The proposed work for the roadway project includes repaving and restriping the road, including the bridges; upgrading guardrail connections at every bridge approach; installing bicycle lanes on both sides of the road by widening and marking the existing paved shoulders and installing drainage improvements from MM 79.72 to MM 81.44. Construction is expected to begin April 2016 and last about nine months. The estimated construction cost is $3.8 million.

Please contact Public Information Specialist Amparo Vargas if you have any questions about this project at (305) 470-5349 or by email at Amparo.Vargas@dot.state.fl.us.
