Miami, FL 33172**

*Please see inside for upcoming public meeting information.*

The Florida Department of Transportation (FDOT) District Six and Florida's Turnpike Enterprise are developing the design of several roadway projects within the Golden Glades Interchange (GGI) in Miami-Dade County.

The project area consists of the following five major facilities: State Road (SR) 9A/I-95, SR 826/Palmetto Expressway, Florida's Turnpike, SR 9 and SR 7/US 441/NW 7 Avenue. Construction is expected to begin in September 2021 and last about five years. The estimated construction cost for this project is about \$600 million.

FDOT District Six is hosting three identical public meetings to provide interested parties with information regarding the GGI Enhancement Project. The meetings will be held in an open house format. Graphic displays and a video will be shown to explain the project.

FDOT representatives will be present to answer any questions that attendees may have. Please note, the same information will be shared at all three meetings. For more details, please see the inside of this flyer.

As part of our commitment to inform the public about projects that will improve our community, this public information meeting notification will be distributed to interested parties and residents throughout the area.

If you wish to learn more about this project, please contact Community Outreach Specialist Sandra Bello by telephone at Office: (305) 640-7373  
Cell: (305) 510-0827 or via e-mail at Sandra.Bello@dot.state.fl.us. You may also contact Tish Burgher by phone at (305) 470-5349 or email at Tish.Burgher@dot.state.fl.us.
