

**A NEW BRIDGE REPAIR AND REHABILITATION PROJECT WILL BEGIN IN YOUR AREA
State Road (SR) 5/US 1/Overseas Highway/Old Seven Mile Bridge**

**FIN # 413721-2-52-01
Begins: September 2017**

OVERVIEW

The Florida Department of Transportation (FDOT) is scheduled to begin a bridge repair and rehabilitation project during the week of September 25, 2017. The project limits extend along SR 5/US 1/Overseas Highway/Old Seven Mile Bridge from Knights Key MM 46.8 to Pigeon Key MM 44.6 in Monroe County.

WORK TO BE PERFORMED

- Repairing concrete columns
- Repairing steel beam, including painting
- Removing retired water main
- Repairing the bridge deck
- Installing pedestrian/bicycle railing
- Adding signing and pavement markings along the bridge

PROJECT SCHEDULE

September 2017 — November 2021

AFFECTED MUNICIPALITIES

City of Marathon and Monroe County

ESTIMATED CONSTRUCTION COST

\$38 million

BRIDGE CLOSURE INFORMATION AND ACCESSIBILITY

Pedestrian access to the bridge, as well as the underpass, will be prohibited during the project. Appropriate signage will be displayed advising patrons of the ONLY areas which can be safely accessed until construction is fully complete, which are the pavilion park and ten parking spaces.

Project information will be posted weekly on the department's website.

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The Department takes steps to reduce construction effects, however you might experience the following around the work site:

- Travel lane closures and detours
- Increased dust and noise
- Workers and equipment moving around the area
- Allow extra time to reach your destination
- Obey all posted signs and speed limits

Please note that this schedule could change due to bad weather or other unexpected conditions.
