Nighttime Full Closure of I-95 Southbound and Southbound Express Lanes

Miami — All southbound travel lanes and southbound express lanes on I-95 will be closed off just north of the I-195/SR-112 eastbound ramps from Wednesday, April 30 and Thursday, May 1. One lane will close at 10 p.m., followed by full closure from 12 a.m. to 5 a.m. Southbound drivers on I-95 will be detoured through I-195 eastbound (Miami Beach). SR-112 westbound (Airport) ramp will stay open. Detour:

Drivers wishing to go to MacArthur Causeway eastbound (Miami Beach) can:

- Take I-195 east to Biscayne Boulevard exit, head south and follow detour signs to access I-395 eastbound on ramp to Miami Beach

Drivers wishing to go westbound on SR-836 or I-95 southbound can:

- Take I-195 east to Biscayne Boulevard exit, head south and follow detour signs to access I-395 westbound/I-95/SR-836 on ramp

Drivers on I-195 westbound wishing to go to I-95 southbound (alternate route) can:

- Take I-95 northbound and head north to exit NW 62 Street and turn left
- Follow the road underneath overpass and access I-95 south on ramp to I-195 east
- Take I-195 east to Biscayne Boulevard exit, head south and follow detour signs to access I-395 westbound/I-95/SR-836 on ramp

Drivers on SR-112 eastbound wishing to go to I-95 southbound can:

- Take I-195 east to Biscayne Boulevard exit, head south and follow detour signs to access I-395 westbound/I-95/SR-836 on ramp

The closure will allow the contractor to complete the installation of the new overhead sign structures between SR-112 and SR-836. **Please note that this schedule may change due to bad weather or other unforeseen conditions.** For more information about the Port of Miami Tunnel Project, contact Construction Public Information Specialist Liz Fernandez at (786) 502-0704 or Project Administrator Pablo Vasquez at (786) 258-0710 or go to www.portofmiamitunnel.com. Drivers are encouraged to call 511 before they drive or log on to www.fl511.com to get real-time traffic and lane closure information. The Florida Department of Transportation reminds drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
