Roadway Project Begins the Week of January 11

State Road (SR) 826/NW 167 Street

Miami, FL – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway project the week of January 11, 2016. The project area extends along SR 826/NW 167 Street from west of NW 2 Avenue to NW 1 Avenue in the City of North Miami Beach. The project will cost an estimated \$1.48 million. The work will last approximately seven months and includes the following:

- Repaving and restriping the road
- Updating traffic signals
- Upgrading pedestrian ramps
- Installing drainage structures
- Installing overhead signage

To complete this work safely, it will be necessary to close travel lanes and detour traffic at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Sandra Bello at 305-510-0827 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
