State Road (SR) 823/NW 57 Avenue/West 4 Avenue/Red Road

Interim Traffic Shift to Occur Between West 68 Street and the Gratigny Parkway Exit Ramp

Hialeah, FL – Starting the night of Sunday, May 8, 2016, an interim southbound traffic shift will be implemented along NW 57 Avenue/West 4 Avenue/Red Road from West 68 Street to the Gratigny Parkway exit ramp. The contractor will establish a work zone along the center of the roadway to perform reconstruction activities. Southbound and northbound traffic will be split, but will continue to be maintained on two southbound lanes and one northbound lane. This shift will be in place for approximately four to six weeks, weather permitting.

The middle of the roadway will become a work zone separated by barrier wall. The contractor will be shifting the current two southbound lanes onto the newly constructed roadway and the northbound lane will remain as it is. Access will be provided at West 71 Street, West 75 Place and near West 77 Street.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Jackie Lata at 305-640-7441 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
