## Roadway Project Begins the Week of June 13

*State Road (SR) 969/NW 72 Avenue/Milam Dairy Road*

---

**Miami, FL** – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction project the week of June 13, 2016 along SR 969/NW 72 Avenue/Milam Dairy Road from NW 25 Street to NW 74 Street in Miami-Dade County. This project will cost an estimated \$2.6 million. The work will last roughly eight months and includes the following:

- Repaving and restriping the roadway
- Upgrading traffic signs and signals
- Upgrading signage and pavement markings
- Upgrading pedestrian ramps to meet current standards
- Installing new traffic railing and pedestrian/bicycle railing on bridge near NW 35 Terrace

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

**Please note that this schedule may change due to bad weather or other unexpected conditions.**

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Jackie Lata at (305) 640-7441 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to call 511 before they travel or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
