**Hialeah, FL** – Starting the week of Monday, June 27, 2016 (weather permitting), a traffic shift will be implemented along NW 57 Avenue/West 4 Avenue/Red Road from north of West 68 Street to south of the Gratigny Parkway. A work zone will be established along the east side of the roadway while the contractor performs water main installation, drainage work and reconstruction activities from south to north.

During this phase shift, traffic will continue to be maintained on two southbound lanes and one northbound lane. Access to businesses will be maintained at all times.
