Roadway Project Begins the Week of July 4

State Road (SR) 25/Okeechobee Road at West 12 Avenue/NW 74 Street

Miami, FL – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction project the week of July 4, 2016. The project limits include the intersection of SR 25/Okeechobee Road and West 12 Avenue/NW 74 Street in the City of Hialeah. This project will cost an estimated \$148,000. The work will last roughly three months and includes the following:

- Repaving and restriping the roadway
- Installing a designated left turn signal
- Relocating pedestrian crossings and curb ramps at the north side of the intersection
- Constructing new sidewalk and curb and gutter
- Upgrading pedestrian signals to countdown signals
- Installing new pavement markings at the north side of the intersection
- Installing new eastbound and westbound street signs

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Jackie Lata at 305-640-7441 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
