## **Roadway Project Begins July 20**

*State Road (SR) 94/Kendall Drive  
from west of SW 132 Avenue to west of SW 122 Avenue*

---

**Miami, FL** – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction on July 20, 2016. The project area extends along SR 94/Kendall Drive from SW 132 Avenue to west of SW 122 Avenue. This project will cost an estimated \$1.1 million. The work will last roughly six months and includes the following:

- Extending left and right turn lanes to enhance vehicle capacity
- Modifying median opening just west of SW 127 Avenue eliminating the southbound left turn
- Enhancing drainage throughout the project limits
- Repaving and restriping the road
- Installing new traffic signals, lighting poles and signs
- Removing and relocating several palm trees at affected medians

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

**Please note that this schedule may change due to bad weather or other unexpected conditions.**

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Oscar Gonzalez at 786-280-0983 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to call 511 before they travel or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
