Krome Avenue Closed for Railroad Crossing Repairs

Miami, FL – Beginning at 6:00 a.m. on Saturday, August 27, 2016 until 6:00 a.m., Tuesday, August 30, 2016, the Florida Department of Transportation (FDOT) and CSX Railway will close the railroad crossing located on State Road (SR) 997/Krome Avenue just south of SW 88 Street/Kendall Drive (between SW 88 Street/Kendall Drive and SW 100 Street) for these days, weather permitting. During this time, all traffic will be detoured away from Krome Avenue and directed to follow signs to alternate local streets.

This detour is being established to allow workers to perform construction on the CSX railroad crossing. During the closure, workers will replace the existing tracks and crossing surface to widen the road and improve ride quality.

Traffic will take SW 88 Street/Kendall Drive, then will make a right turn onto SW 157 Avenue, then traffic will be directed to make a left turn onto SW 120 Street, then a right turn onto SW 137 Avenue, then another right turn onto SW 184 Street to finally be guided to turn left onto southbound Krome Avenue or right onto northbound Krome Avenue for local traffic.

2. Southbound traffic will be directed east to SW 137 Avenue via SW 88 Street/Kendall Drive. Traffic will take SW 88 Street/Kendall Drive, then will make a right turn onto SW 137 Avenue, then traffic will be directed to make a right turn onto SW 184 Street and a left turn onto southbound Krome Avenue or a right turn onto northbound Krome Avenue for local traffic.

Northbound detour (for traffic south of SW 184 Street):
