95 Express Closures for New Plastic Pole Installation

Miami, FL – The following closures will be implemented to install new, more durable plastic poles to better divide the express lanes from the non-tolled general use lanes. The space between each pole will also be reduced from its current placement of ten feet to five.

Sunday, December 18, Tuesday, December 20 and Thursday, December 22 - All southbound I-95 Express Lanes and one adjacent non-tolled general use lane will be closed from the Golden Glades Interchange to SR 836 between the hours of 9 p.m. and 5 a.m.

Monday, December 19 and Wednesday, December 21 - All northbound I-95 Express Lanes and one adjacent non-tolled general use lane will be closed from SR 836 to the Golden Glades Interchange between the hours of 9 p.m. and 5 a.m.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call Construction Public Information Specialist Oscar Gonzalez at 786-280-0983 or FDOT's Public Information Office at 305-470-5349 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
