Landscaping Project Begins the Week of February 27

State Road (SR) 933/NW 12 Avenue

Miami, FL – The Florida Department of Transportation (FDOT) is scheduled to begin a landscaping project the week of February 27, 2017. The project limits extend along SR 933/NW 12 Avenue from SW 22 Street to NW 8 Terrace/NW South River Drive in Miami-Dade County. This project will cost an estimated \$844,000. The work will last roughly seven months and includes the following:

- Installing trees/palms to pedestrian areas along the corridor
- Constructing sidewalk curb extensions at various locations to improve pedestrian traffic
- Removing and replacing trees/palms along the corridor

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

Please note that this schedule may change due to bad weather or other unexpected conditions.
