State Road (SR) 90/US 41/SW 8 Street/Tamiami Trail Roadway Project Completed Ahead of Schedule

Project Final Accepted on February 24

Miami, FL – The Florida Department of Transportation (FDOT) completed the Tamiami Trail Roadway Project on Friday, February 24, 2017, 76 days ahead of schedule. The project extended along Tamiami Trail from west of Loop Road to west of Mile Marker (MM) 29 in Miami-Dade County. It started on August 15, 2016, and featured more than \$4 million in roadway and safety improvements including the following work:

- Repaving and restriping the road
- Rebuilding several turn lanes and driveways
- Updating signage and pavement markings
- Performing maintenance work at the bridge joints

FDOT has completed this project with the support of community groups and elected officials. Ranger Construction Industries, Inc. was the contractor.
