State Road (SR) 5/US 1/Overseas Highway/ Seven Mile Bridge (Moser Channel)

Bridge Rehabilitation Project Begins the Week of April 10

Monroe County, FL – The Florida Department of Transportation (FDOT) is scheduled to begin a bridge rehabilitation project on SR 5/US 1/Overseas Highway along the Seven Mile Bridge over Moser Channel from MP 8.932 to MP 15.725 in Monroe County. The project will cost an estimated \$14.9 million and will take approximately two years to complete.

Work to be performed includes:

- Repairing the foundation and structures under the bridge
- Replacing the navigational channel fender system
- Repairing the bridge deck
- Adding signing and pavement markings along the bridge

Please note that this schedule may change due to bad weather or other unexpected conditions. For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Paulette Summers at 786-510-3921 or go to the website at www.fdotmonroe.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
