Traffic Shift on SW 152 Street/Coral Reef Drive

Miami, FL – On Thursday morning, May 25, all traffic on SW 152 Street/Coral Reef Drive from just west of SW 93 Avenue to just west of SW 97 Avenue will be shifted to the south side of the roadway. The westbound and eastbound travel lanes will be reduced to one lane in each direction and shifted to the southside of the roadway (see attached map). This traffic pattern will be in effect for approximately one and a half months to allow the contractor to repair and resurface the north section of the bridge over the C-100 Canal.

In order to prepare for the traffic shift, there will be alternating single lane closures on SW 152 Street/Coral Reef Drive from SW 93 Avenue to SW 102 Avenue on Tuesday, May 23 and Wednesday, May 24, between the hours of 9 p.m. to 5:30 a.m.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Oscar Gonzalez at 786-280-0983 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
