State Road (SR) 916/NW 135 Street Intersection Enhancement Project Officially Completed

Project Final Accepted on June 12

Miami, FL – The Florida Department of Transportation (FDOT) completed the SR 916/NW 135 Street Intersection Enhancement Project at NW 17 Avenue on Monday, June 12, 2017. It started on January 23, 2017, and featured approximately \$177,943 in roadway and safety improvements in Miami-Dade County including the following work:

- Removing and installing two new traffic signals
- Installing new reflective borders on signal heads
- Installing an additional signal head on the southbound approach of the intersection
- Installing a “Next Signal NW 135 St.” roadway sign on the southbound approach of the intersection
- Reconstructing pedestrian sidewalks
- Installing a new pedestrian signal

FDOT completed this project with the support of community groups and elected officials. Under Power Corporation was the contractor.
