## **State Road (SR) 916/NE 135 Street Roadway Project Officially Completed**

*Project Final Accepted on June 30*

---

**Miami, FL** – The Florida Department of Transportation (FDOT) completed the SR 916/NE 135 Street Roadway Construction Project on Friday, June 30, 2017. The project extended along SR 916/NE 135 Street from east of NE 2 Court to west of NE 4 Avenue in the City of North Miami. The project started on February 6, 2017, and featured approximately \$1 million in roadway and safety improvements including the following work:

- Repaving and restriping the road
- Replacing guardrail
- Installing drainage
- Installing curb and gutter
- Repairing sidewalks
- Installing detectable warning pads at pedestrian crosswalks
- Relocating and replacing trees
- Installing retention walls

FDOT completed this project with the support of community groups and elected officials. Halley Engineering Contractor, Inc. was the contractor.
