Temporary Lane Configuration on SW 152 Street

Miami, FL – A new temporary lane configuration on eastbound SW 152 Street at US 1 will be implemented on Tuesday, October 17. The new configuration will have two left turn lanes to northbound US 1, one straight lane to cross US 1 and one dedicated right turn lane to go south on US 1. This lane configuration will be in place for approximately one week until the final configuration is implemented.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Community Outreach Specialist Oscar Gonzalez at 786-280-0983 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
