Nighttime Traffic Shift on SW 152 Street

Miami, FL – On Tuesday, November 14 (Wednesday, November 15 is an alternate date), eastbound and westbound traffic on SW 152 Street will be temporarily shifted to the north and south side of the roadway from SW 93 Avenue to SW 99 Avenue, between the hours of 9 p.m. and 5:30 a.m. The traffic shifts will allow the contractor to grind and groove the new bridge concrete surface.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Community Outreach Specialist Oscar Gonzalez at 786-280-0983 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
