## Roadway Project Begins the Week of January 15

*State Road (SR) 953/LeJeune Road/SW 42 Avenue*

---

**Miami, FL** – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction project the week of January 15, 2018. The project limits extend along SR 953/LeJeune Road/SW 42 Avenue at SR 976/Bird Road/SW 40 Street in Miami-Dade County. This project will cost an estimated \$231,000. The work will last roughly three months and includes the following:

- Repaving and restriping the intersection
- Modifying existing medians along Bird Road to improve visibility for vehicles making a left turn

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

**Please note that this schedule may change due to bad weather or other unexpected conditions.**
