## **FDOT to Host a Public Hearing for a Roadway Project**

*State Road (SR) A1A/Collins Avenue from the 4700 Block to 5800 Block*

---

**Miami, FL** – The Florida Department of Transportation (FDOT) District Six is developing the design for a safety roadway project along SR A1A/Collins Avenue from the 4700 Block to 5800 Block, in Miami-Dade County. The scope of work for this project is listed below.

Construction is expected to begin in April 2023 and last about two years. The estimated construction cost for this project is about \$17.4 million.

**A Public Hearing will be held from 6 p.m. to 8 p.m. on Wednesday, March 14, 2018, at the Shane Center Miami Beach, 6500 Indian Creek Drive, Miami Beach, Florida 33141.** The meeting will begin as an open house, from 6 p.m. to 8 p.m. with a formal presentation starting at 6:30 p.m. Graphic displays will be shown and FDOT representatives will be available to discuss the project.

The proposed work for this project includes:

- Condensing the number of signalized intersections
- Modifying access to and from the frontage road
- Removing northbound U-turns from the frontage road and installing them on Collins Avenue (Note: U-turns will be allowed midway on the frontage road for trucks and buses)
- Enhancing traffic signals, pedestrian features, signalized intersection street lights and roadway signs
- Installing illuminated street signs and speed feedback signs
- Installing new pavement markings
- Installing a new pump station at the 5300 Block
- Installing new water mains for the City of Miami Beach

Please contact Community Outreach Specialist Jeanette Gorgas if you have any questions about the project at 786-239-8862 or email at [jgorgas@mrgmiami.com](mailto:jgorgas@mrgmiami.com).
