Roadway Project Begins on March 24

State Road (SR) 817/NW 27 Avenue

Miami, FL – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction project on March 24, 2018. The project limits extend along SR 817/NW 27 Avenue from NW 171 Street to NW 177 Street in Miami-Dade County. This project will cost an estimated \$328,000. The work will last roughly five months and includes the following:

- Installing a signalized mid-block crosswalk
- Constructing new pedestrian ramps
- Upgrading signage and pavement markings
- Upgrading signalization and lighting

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Community Outreach Specialist Valerie Krystek at 305-640-7441 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
