Roadway Project Begins the Week of June 11

State Road (SR) 825/SW 137 Avenue

Miami, FL – The Florida Department of Transportation (FDOT) is scheduled to begin a landscaping project the week of June 11, 2018. The project limits extend along SR 825/SW 137 Avenue from SR 90/SW 8 Street to NW 12 Street in Miami-Dade County. This project will cost an estimated \$397,000. The work will last roughly two months and includes the following:

- Improving aesthetics of the roadway by installing trees and palms in the medians

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

Please note that this schedule may change due to bad weather or other unexpected conditions.
