FDOT to Host a Public Meeting

State Road (SR) 25/US 27/Okeechobee Road from the Broward County Line to West of the Homestead Extension of Florida's Turnpike (HEFT)

Miami-Dade County, FL – The Florida Department of Transportation (FDOT) District Six is developing the design for a reconstruction project along SR 25/US 27/Okeechobee Road from the Broward County Line to west of the HEFT, in Miami-Dade County. Construction is expected to begin in November 2021. The estimated construction cost for this project is about \$41 million. **A public meeting will be held from 6 p.m. to 8 p.m., on Tuesday, June 26, 2018, at the Westland Gardens Park, 13501 NW 107 Avenue, Hialeah Gardens, FL 33018.** The meeting will follow an informal format allowing the public to arrive at any time from 6 p.m. to 8 p.m. Graphic displays will be shown during the meeting, and FDOT representatives will be available to discuss the project and answer questions.

The proposed work for this project includes:

- Widening SR 25/Okeechobee Road to provide wider outside shoulders, improve the turning radius at all intersections, provide adequate deceleration length of turn lanes, and construct new acceleration lanes with four-foot-wide buffers at all intersections
- Realigning the intersections of SR 997/Krome Avenue and NW 154 Street
- Constructing a new paved frontage road from NW 129 Avenue to NW 127 Avenue
- Realigning and widening the frontage road at:
 - NW 186 Street
 - NW 17400 Block (west of NW 137 Avenue)
 - NW 137 Avenue to NW 170 Street
 - NW 117 Avenue
- Closing the median openings at:
 - NW 127 Avenue
 - NW 17400 Block (west of NW 137 Avenue)
 - Opa-locka West Airport property
- Constructing a new median opening at NW 129 Avenue
- Replacing guardrail along the C-6 Canal (Miami Canal)
- Installing guardrail along the median of SR 997/Krome Avenue
- Upgrading signage, pavement markings, signalization, and lighting along the corridor
- Installing new Intelligent Transportation System (ITS) along the corridor
