State Road (SR) A1A/Collins Avenue

Project Final Accepted on September 25

Miami, FL – The Florida Department of Transportation (FDOT) has completed the SR A1A/Collins Avenue Roadway Construction Project. The project limits extend along SR A1A/Collins Avenue from south of Bayview Drive to SR 856/William Lehman Causeway/192 Street in the City of Sunny Isles Beach. The project started the week of June 19, 2017, and featured approximately \$4.4 million in roadway improvements.

The following work was done on the project: repaving and restriping the road, upgrading pedestrian ramps to current standards, upgrading traffic signals at various locations, installing a new midblock traffic signal on SR A1A/Collins Avenue between 178 Street and 182 Street; and adding signage and pavement markings.

FDOT completed this project with the support of elected officials and the community. General Asphalt Co., Inc. was the contractor.

For more information on the SR A1A/Collins Avenue Roadway Project, visit www.fdotmiamidade.com. You may also call FDOT's Public Information Office at 305-470-5349 or Construction Community Outreach Specialist Sandra Bello at 305-510-0827.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
