Roadway Project Begins the Week of January 21

State Road (SR) 7/US 441

Miami, FL – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway project the week of January 21, 2019. The project limits extend along SR 7/US 441 from NW 2 Avenue to the Turnpike Connector Overpass in Miami-Dade County. The project will take approximately five months to complete. The project will cost an estimated \$666,086.

The project includes repaving and restriping the roadway, upgrading guardrail, adding paved shoulders and updating signing and pavement markings.

To complete this work safely, it will be necessary to temporarily close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

Please note that this schedule may change due to bad weather or other unexpected conditions.
