## **State Road (SR) A1A/MacArthur Causeway Westbound Center Lane Closure Starts February 14**

*Two westbound lanes closed nightly beginning Monday to establish new work zone*

---

**Miami, FL – Monday, February 11, through Thursday, February 14,** two westbound travel lanes will be closed on the SR A1A/MacArthur Causeway East Bridge (bridge number 870077) between Terminal Island and Alton Road from 10 p.m. and 6 a.m. to restripe the road and set concrete barrier wall.

Beginning at 10 p.m., Thursday, February 14, the contractor will close the middle westbound lane to replace the bridge deck. This lane will remain closed for approximately two months. A second westbound lane closure will occur nightly, as needed, from 10 p.m. and 6 a.m. Two westbound lanes will be open daily from 6 a.m. to 10 p.m.

**Please note that this schedule may change due to bad weather or other unforeseen conditions.**

The closures are part of the SR A1A/MacArthur Causeway Bridge Rehabilitation Project. At least one eastbound and one westbound travel lane will remain open at all times.

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Melissa J. Rodriguez at 1-305-570-8076 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to call 511 before they travel or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
