FDOT to Host Public Workshops for the I-95 Corridor Planning Study

State Road (SR) 9A/I-95 from SR 5/US 1 to north of Ives Dairy Road

Miami, Fla. – The Florida Department of Transportation (FDOT) District Six will host a series of public workshops for a study to identify capacity improvements along SR 9A/I-95 from SR 5/US 1 to north of Ives Dairy Road, in Miami-Dade County. The workshops will be conducted to offer the public an opportunity to provide input. These workshops will be held from 6 p.m. to 8 p.m. and the same information will be shared at all three workshops.

The first public workshop will be held on **Tuesday, May 14, 2019** at the LAB, 400 NW 26 Street, Miami, FL 33127. Free parking with validation at the NW 3 Avenue/NW 26 Street Garage. A second public workshop will be held on **Wednesday, May 15, 2019** at Trinity Church, 17801 NW 2 Avenue, Miami, FL 33169. A third and final public workshop will be held on **Wednesday, May 22, 2019** at the Catholic Community Senior Center, 9900 NE 2 Avenue, Miami Shores, FL 33138.

The workshops include a formal presentation beginning at 6:30 p.m. and graphics will be displayed. FDOT representatives will discuss the purpose and need for corridor improvements, explain potential concepts to improve operations and safety, and answer attendees' questions.

Public participation is solicited at these workshops without regard to race, color, national origin, age, sex, religion, disability or family status. Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in a workshop is asked to advise the agency at least seven days before the workshop by contacting: Hong Benitez, P.E. at (305) 470-5219 or in writing: FDOT, 1000 N.W. 111 Avenue, Miami, FL 33172, email: Hong.Benitez@dot.state.fl.us.

For more information about these workshops or the overall I-95 Corridor Planning Study, please contact Community Outreach Specialist Carlos Garcia at (305) 573-0089 or via email at Carlos@iscprgroup.com.
