Lane Closures on SR 836 for a Traffic Shift

Miami, Fla. – The following closure on SR 836 will be scheduled as noted below to implement a traffic shift:

Thursday, June 20 - Two eastbound lanes on SR 836 from NW 21 Avenue to NW 12 Avenue will be closed between the hours of 8 p.m. and 5:30 a.m. in order to allow the contractor to prepare the travel lanes for a traffic shift. **On Friday morning, June 21, all eastbound travel lanes from approximately NW 20 Avenue to west of the Miami River will be shifted to the left towards the median.**

Please note that this schedule may change due to bad weather or other unforeseen conditions. The closures are part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For more information, please call Construction Community Outreach Specialist Oscar Gonzalez at (786) 280-0983 or go to the website at www.I-395miami.com. For around-the-clock, real time, traffic information, call 511 or go to www.fl511.com. Remember: stay safe. Stay in your lane.
