### **Roadway Construction Project Begins the Week of January 6** *Hialeah Gardens Boulevard*

**Miami, Fla.** – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction project the week of January 6, 2020. The project limits extend along Hialeah Gardens Boulevard from West 80 Street to West 84 Street/NW 138 Street. This project will cost an estimated \$2.7 million.

The work will last about one year and includes the following: adding two left turning lanes on northbound Hialeah Gardens Boulevard at NW 138 Street; adding two left turning lanes on southbound Hialeah Gardens Boulevard at West 84 Street; installing sidewalks; repaving and restriping the roadway; improving traffic signalization and adding intelligent transportation system features.

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

**Please note that this schedule may change due to bad weather or other unexpected conditions.**

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to call 511 before they travel or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
