### **FDOT Completes State Road (SR) 90/US 41/Brickell Avenue Bridge Rehabilitation Project**

**MIAMI, Fla.** – The Florida Department of Transportation (FDOT) has successfully completed a bridge rehabilitation project along the Brickell Avenue Bridge in the City of Miami. The year-long project began in February 2020 and cost an estimated \$4 million. Seacoast, Inc. was the contractor. FDOT completed this project on budget with the support of elected officials and the community.

The following scope of work was performed on this project: adding pedestrian gates, repairing mechanical and electrical bridge components, painting the bridge and replacing lighting at the Tequesta family sculpture, bridge barrier and Riverwalk.

For more information, please call FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Sergies Duarte at (305) 216-3617 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
