### FDOT to Host State Road (SR) 948/NW 36 Street Multimodal Corridor Study Workshops

June 22, 2021 and June 24, 2021

**MIAMI, Fla.** – The Florida Department of Transportation (FDOT) District Six will host two corridor workshops, both in-person and virtually, for a Multimodal Study along SR 948/NW 36 Street from SR 826/Palmetto Expressway to SR 5/US 1. The first workshop will be held on Tuesday, June 22, 2021, and the second will be on Thursday, June 24, 2021. Both workshops will be held from 6 p.m. to 7:30 p.m. and the same information will be shared during both events.

#### **Tuesday, June 22, 2021:**

- Attend In-Person: FDOT District Six Auditorium, 1000 NW 111 Ave, Miami, FL 33172. To RSVP visit click [here](#).
- To participate virtually from your computer, tablet or smartphone please register using the following link: <https://attendee.gotowebinar.com/register/8517234198923834126> Participants can also call in by dialing +1 (914) 614-3426; Access code: 811-903-539.

#### **Thursday, June 24, 2021:**

- Attend In-Person: Holiday Inn Miami-International Airport, 1111 S Royal Poinciana Blvd, Miami Springs, FL 33166. To RSVP visit click [here](#).
- To participate virtually from your computer, tablet or smartphone please register using the following link: <https://attendee.gotowebinar.com/register/7484422245024957712> Participants can also call in by dialing +1 (951) 384-3421; Access code: 958-531-540.

The in-person workshops will be in compliance with all current Centers for Disease Control and Prevention (CDC) guidelines and social distancing will be followed.

The workshops will consist of a formal presentation followed by an open discussion. Staff will be available to answer questions as time permits, in the order received. If your question is not responded to during the event, a response will be provided in writing after the workshop.

This Planning Study is evaluating and developing improvements to address existing and future multimodal needs along the corridor. These workshops will provide the community an opportunity to evaluate the proposed alternatives. For more information about the workshops or study, please contact Community Outreach Specialist Maria Alzate at (305) 560-8218 or via email at [maria@iscprgroup.com](mailto:maria@iscprgroup.com).

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans

with Disabilities Act of 1990 or who need translation services (free of charge) should contact Nicholas Danu at 305-470-5219 or in writing at FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: [Nicholas.Danu@dot.state.fl.us](mailto:Nicholas.Danu@dot.state.fl.us) at least seven days prior to the workshops.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
