**FDOT to Host Virtual Public Meeting for State Road (SR) A1A/
Collins Avenue/Indian Creek Design Project**

February 18, 2021

MIAMI, Fla. – The Florida Department of Transportation (FDOT) District Six will host a Virtual Public Meeting for the design for a roadway improvement project along SR A1A/Collins Avenue/Indian Creek Drive from 5800 Block to SR 907/63 Street from 6 p.m. to 7:30 p.m. on Thursday, February 18, 2021 via GoToWebinar.

Proposed improvements are as follows: adjusting manholes; repaving and restriping the roadway; upgrading signing and pavement markings; removing decorative pavers at the intersection of SR A1A/Collins Avenue and 63 Street and reconstructing the intersection of SR A1A/Collins Avenue and 63 Street and upgrading pedestrian ramps, countdown signals and detectors at the intersection. Construction is expected to begin in July 2022 and last about five months. The estimated construction cost for this project is \$739,169.

To participate in this meeting from your **computer, tablet or smartphone** please register using the following link: <https://attendee.gotowebinar.com/register/2964078152245209357>

Participants can also use their phone by dialing in to +1 (415) 655-0060; Access code: 772-857-580.

The Virtual Public Meeting will consist of a formal presentation followed by an open discussion. Staff will be available to answer questions in the order they are received and as time permits. If your question is not responded to during the event, a response will be provided in writing following the Virtual Public Meeting.

For more information about this meeting or project, please contact Community Outreach Specialist at (786) 519-7160 or via email at Roman@iscprgroup.com.

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Nicholas Danu at (305) 470-5219 or in writing to FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: Nicholas.Danu@dot.state.fl.us at least seven days prior to the Virtual Public Meeting.
