Full Closure of Northbound I-95 for Concrete Pavement Replacement

Miami, Fla. – On Thursday, September 3 and Tuesday, September 8 through Saturday, September 12, all northbound I-95 lanes will be closed at the eastbound I-395 ramp between the hours of 9:30 p.m. and 5:30 a.m. to allow the contractor to replace the concrete pavement. The northbound I-95 ramp to westbound SR 836 will remain open during this time frame. The closures on Friday and Saturday will be implemented between the hours of 11 p.m. and 8:30 a.m. Drivers can:

- Access the eastbound I-395 ramp
- Exit at the Biscayne Boulevard ramp (Exit 2B)
- Turn right on NE 2 Avenue, then turn right on NE 11 Street
- Turn right on NE 1 Avenue to access the I-95 north ramp

In addition, the NW 8 Street ramp to northbound I-95 will also be closed during the same time frames. Drivers can:

- Go east on NW 5 Street, then turn left at NE 1 Avenue
- Access the westbound I-395 entrance ramp to I-95 north

Please note that this schedule may change due to bad weather or other unforeseen conditions. The closures are part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For more information, please call Senior Construction Community Outreach Specialist Oscar Gonzalez at (786) 280-0983 or go to the website at www.I-395miami.com. For around-the-clock, real time, traffic information, call 511 or go to www.fl511.com. Remember: stay safe. Stay in your lane.
