### **Nighttime Closure of Northbound I-95 off-ramp at State Road (SR) 925/NW 3 Avenue Begins Tonight**

**MIAMI, Fla.** – Beginning Monday, April 12 through Wednesday, April 14, the northbound I-95 off-ramp to northbound SR 925/NW 3 Avenue (Exit 2B) will be closed between the hours of 9 p.m. and 5:30 a.m., for guardrail installation and roadway repaving.

During this closure, motorists will have the option to proceed through the following detours:

- **Exit 2A Detour:** NE 1 Avenue, Flagler Street, NW 2 Avenue and NW 2 Street to access northbound SR 925/NW 3 Avenue
- **Exit 2D Detour:** I-395, Biscayne Boulevard, NW 3 Street, NW 2 Avenue and NW 2 Street to access northbound SR 925/NW 3 Avenue

Drivers should expect delays and seek alternate routes if possible. Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884, or visit [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
