NE 1 Avenue Closed Nightly for Overhead Bridge Work

MIAMI, Fla. – On Monday, February 22 through Friday, February 26, NE 1 Avenue will be closed from NE 13 Street to I-395 between the hours of 10 p.m. and 5:30 a.m. to allow the contractor to work on an overhead bridge.

- Drivers north of I-395 can:
 - Go west on NE 14 Street, turn left on North Miami Avenue
 - Turn left on NE 10 Street to connect with NE 1 Avenue
- Drivers south of I-395 can:
 - Turn right on NE 10 Street, then turn left on Biscayne Boulevard
 - Turn left on NE 13 Street to connect with NE 1 Avenue

NOTE: Drivers on northbound NE 1 Avenue will be able to access the ramp to I-395.

Please note that this schedule may change due to bad weather or other unforeseen conditions.

The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For additional information, please contact Community Outreach Specialist Oscar Gonzalez at 786-280-0983. Additional project information can be found on the project website, www.I-395miami.com.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
