Nighttime Paving Along State Road (SR) 925/NW 3 Avenue Continues December 20

MIAMI, Fla. – On Sunday, December 20 through Wednesday, December 23, between the hours of 9 p.m. and 5:30 a.m., the Florida Department of Transportation (FDOT) will continue nighttime paving operations along northbound SR 925/NW 3 Avenue between the northbound I-95 off-ramp (Exit 2B) and NW 8 Street. As part of this work, the northbound I-95 exit ramp to NW 2 Street (Exit 2B) will be partially closed from 9 p.m. and 5:30 a.m.

During the paving operation, at least one lane along northbound SR 925/NW 3 Avenue between the off-ramp and NW 8 Street will remain open at all times. Florida Highway Patrol will assist with directing traffic through the area. Drivers should anticipate delays and seek alternate routes if possible.

Please note that this schedule may change due to bad weather or other unexpected conditions. For more information, please call FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 or visit www.fl511.com before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
