Closure of North Bayshore Drive Ramp to Eastbound MacArthur Causeway Rescheduled Due to Weather

MIAMI, Fla. – The closure of the North Bayshore Drive Ramp to eastbound MacArthur Causeway scheduled for this morning, Wednesday September 1 has been rescheduled to Thursday morning, September 2 due to weather.

If the closure of the ramp is further impacted by weather, it will be rescheduled for Thursday morning, September 9.

This new traffic pattern is expected to remain in place until 2024 when the new ramp is scheduled to open. To view additional information including a video of the ramp closure, please click [here](#).

The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For additional information, please contact Community Outreach Specialist Oscar Gonzalez at 786-280-0983. Additional project information can be found on the project website, www.I-395miami.com.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
