Paving on State Road (SR) 94/Kendall Drive/SW 88 Street Begins May 17 *from west of SW 127 Avenue to east of SW 122 Avenue*

Miami, Fla. – Beginning Sunday, May 17 through Thursday, May 21, 2020, between the hours of 9 p.m. and 6 a.m., the Florida Department of Transportation (FDOT) will be performing pavement resurfacing operations along SR 94/Kendall Drive/SW 88 Street from west of SW 127 Avenue to east of SW 122 Avenue.

During the pavement resurfacing operations, there will be dual travel lane closures in each direction, and it will be necessary to intermittently close left turn lanes at the intersections of SW 127 Avenue, SW 122 Avenue and SW 123 Court. While resurfacing and paving the outside travel lanes, traffic coming from the side streets onto SR 94/Kendall Drive/SW 88 Street will be intermittently closed.

Drivers should anticipate delays traveling through this area and seek alternate routes if possible. Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call Construction Community Outreach Specialist Jeanette Gorgas at (786) 239-8862, or FDOT's Public Information Office at (305) 470-5349, or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
