Roadway Project Begins the Week of May 21

State Road (SR) 826/Palmetto Expressway

Miami, FL – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction project the week of May 21, 2018. The project limits extend along SR 826/Palmetto Express including ramps and frontage roads from west of NW 67 Avenue to west of NW 57 Avenue in Miami-Dade County. This project will cost an estimated \$974,366. The work will last roughly five months and includes the following:

- Repaving and restriping the roadway
- Reconstructing pedestrian ramps at NW 67 Avenue
- Adding a pedestrian concrete island at the intersection of NW 67 Avenue and the westbound on-ramp
- Widening the shoulder to provide a bike lane at the intersection of the eastbound frontage road at NW 67 Street and NW 59 Avenue
- Upgrading pavement markings, pedestrian signs and signals

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Construction Community Outreach Specialist Jessica Fleitas at (305) 640-7441 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
