### **State Road (SR) 925/NW 3 Court/NW 3 Avenue Nighttime Paving Continues April 4** *Between NW 8 Street and NW 1 Street*

**MIAMI, Fla.** – On Sunday, April 4 through Friday, April 9, between the hours of 9 p.m. and 5:30 a.m., the Florida Department of Transportation (FDOT) will continue nighttime lane closures on northbound SR 925/NW 3 Avenue and southbound SR 925/NW 3 Court, to repave the road between NW 8 Street and NW 1 Street.

At least one lane will remain open in each direction. Florida Highway Patrol will direct traffic through the area. Drivers should expect delays and seek alternate routes if possible. Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or visit [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
