State Road (SR) 90/SW 8 Street Nighttime Lane Closures Continue

At the intersection of SW 157 Avenue

MIAMI, Fla. – The Florida Department of Transportation (FDOT) will continue closing travel lanes at the intersection of SR 90/SW 8 Street and SW 157 Avenue **through Friday, November 6**, between 9 p.m. and 5:30 a.m., to repave the roadway.

At least two lanes on SR 90/SW 8 Street will remain open in each direction at all times. Please remember to use caution when traveling through the construction zone and seek alternate routes if possible.

Please note that this schedule may change due to bad weather or other unexpected conditions. For more information, please contact FDOT's Public Information Office at (305) 470-5349 or Community Outreach Specialist, Christian Gonzalez at (786) 837-4884, or visit the website at www.fdotmiamidade.com

Drivers are encouraged to call 511 or log onto www.fl511.com before they travel to get real time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
