State Road (SR) 934/Normandy Drive Roadway Restriping Begins June 22

At the intersection of Rue Granville and from Rue Versailles to Bay Drive

Miami, Fla. – Beginning Monday, June 22 through Tuesday, June 23, 2020, between the hours of 7 a.m. and 4 p.m., the Florida Department of Transportation (FDOT) will be restriping the pavement on SR 934/Normandy Drive through the intersection of Rue Granville, and also from Rue Versailles to Bay Drive.

During the operation, crews will need to close travel lanes intermittently for short periods of time along SR 934/Normandy Drive in order to perform the work safely. Please use caution when traveling through the construction zone.

Drivers should anticipate delays traveling through this area and seek alternate routes if possible. Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.
