State Road (SR) 94/Kendall Drive/SW 88 Street  
Under Florida’s Turnpike  
Project Begins October 8

Miami – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction project on Monday October 8. The project limits extend along State Road (SR) 94/Kendall Drive/SW 88 Street under Florida’s Turnpike in unincorporated Miami-Dade County. The project will cost an estimated $741,000. The work will last about three months and includes the following:

- Replacing sections of sidewalk and pedestrian ramps
- Minor widening in to the northbound Turnpike on-ramp
- Relocating drainage structures due to widening
- Installation of drainage structures
- Repaving and restriping the roadway

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT’s Public Information Office at (305) 470-5349 or Construction Public Information Specialist Cynthia Vazquez at (305) 640-7441 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
