## **State Road (SR) 9A/I-95 At NW 65 Street**

*Bridge Rehabilitation Project Officially Completed on May 8, 2017*

---

**Miami, FL** – The Florida Department of Transportation (FDOT) officially completed the SR 9A/I-95 Bridge Rehabilitation Project on May 8, 2017. The project extended along SR 9A/I-95 at NW 65 Street pedestrian overpass number: 879007 in Miami-Dade County. The project started on September 26, 2016, and included approximately \$588,730 in pedestrian bridge rehabilitations that included:

- Cleaning and painting steel parts of the bridge and enclosure
- Repairing the bridge columns as needed

FDOT has completed this project with the support of the community. Royal Bridge, Inc. was the contractor. The completion of this project demonstrates FDOT's continued commitment to improving the community's bridges and roads. All projects have the goal of enhancing mobility and creating a safe corridor for vehicles, bicyclists and pedestrians.

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Sandra Bello at 305-510-0827 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).
