Drive Safe 95 Express Attends Health District Round Table

On Tuesday, Jan. 5 members of the Drive Safe 95 Express team attended the Health District Round Table at the American Airlines Arena. This meeting occurs every other month and is comprised of representatives from University of Miami Jackson, Miami VA Medical Center, City of Miami, Miami-Dade Transit, Broward County Transit and the Miami-Dade County MPO. The meetings, coordinated by South Florida Commuter Services (SFCS) are held to discuss transportation issues and concerns throughout the Health District / Civic Center area. Tish Burgher introduced the Drive Safe 95 Express campaign explaining the intent of the campaign, upcoming events and offering to make presentations to the organizations that were represented at the Roundtable. Campaign collaterals were provided to attendees including the Fact Card (English, Spanish and Creole) and bumper stickers. Ms. Burgher answered questions from attendees and there was a discussion about how unsafe driving practices were affecting transit reliability.
