

## DID YOU KNOW?

The Florida Department of Transportation (FDOT) manages the project via technology and dedicated personnel 24 hours a day. Road Rangers and Florida Highway Patrol (FHP) monitor the express lanes to minimize the impacts of traffic incidents and promote safety for all drivers on I-95. The goal of 95 Express is to keep traffic moving safely and efficiently on Interstate 95.

- 95 Express operates 24 hours a day, seven days a week.
- Express lanes are separated from the non-tolled general-use lanes by double white lines and a barrier of plastic poles.
- Tolls are collected electronically using a SunPass transponder.
- Toll prices are displayed on electronic message signs before the entrance of the express lanes. Toll prices vary based on congestion to manage demand and promote free-flow speeds.
- 95 Express speed limit is 55 MPH throughout the 95 Express corridor.
- Transit riders and 3+ carpool that are registered with South Florida Commuter Services (SFCS) can use the express lanes without paying a toll. To register or learn more about this program, please contact SFCS at **1.800.234.RIDE**.

### **3** Do's & Don'ts Of 95 Express

#### Do's

- Plan ahead
- Enter and exit at designated locations only
- Be alert and pay attention to the signs

#### Don'ts

- Don't weave in and out of the express lanes
- Don't speed
- Don't enter when CLOSED

#### Why are the express lanes closed sometimes?

- When there is a traffic incident affecting the lanes
- When maintenance is being performed

# Be Alert...Proceed With Caution

- Please use the designated entrance and exit points.
- If you enter the express lanes accidentally, remain calm and continue driving until the next available exit point.
- It is **ILLEGAL** to drive through the plastic poles to get in or out of the express lanes. Drivers who do will be subject to a \$179 fine and incur up to four points on your license.
- Be alert and pay attention to all advisories, signage, pavement markings and posted speed limits.
- If you are involved in a crash or your vehicle breaks down in the express lanes, pull over to the left shoulder and dial \*FHP (\*347) on your cellphone. Stay in your vehicle and wait for assistance.

## How to Enter 95 Express South
